## **Bar/Bat Mitzvah Packages**

All the following packages include:

- Four hours of continuous music, extensive music library, interactive games and contests, professional experienced staff, state of the art digital sound system and detailed party finalization before your event.

### **Deluxe Package**

- 2-person team: We provide you with an experienced, high-energy Sizzling Sounds entertainment host accompanied by a disc jockey. Our host will coordinate all formalities and activities of your event to ensure a fantastic experience for all. Our lighting package includes five state of the art led lights. Props for fifty people include sunglasses, leis and maracas.

### **Premier Package**

- 4-person team: We provide you with an experienced high-energy Sizzling Sounds entertainment host accompanied by a disc jockey and two motivational dancers to keep the party moving. We include a lighting truss over the dj booth with five high tech led lights, which will bring your dance floor to life. Our prop package is packed with sunglasses, hats, and glow items (approximately 100 items)

### **Multi-Media Video Package**

- 3-person team: This package includes a disc jockey, emcee and video technician/roaming photographer. Sizzling Sounds will put your precious pictures to music to create a custom video montage. We include two LED screen televisions to display your montage and photos from our roaming photographer. Lighting includes two moving head intelligent lighting fixtures. Our prop package includes an assortment of novelty items for 100 guests.

### **Sizzling Package**

- 8-person team: Take your Mitzvah to the next level with our combination multimedia deluxe lighting and motivational dancer package. This package includes a disc jockey, emcee, video technician/photographer, lighting technician and four motivational dancers. We will produce and display your custom video montage and photos taken at your event on two LED screen televisions and one front projection screen. The lighting included in this package is 4 intelligent head moving lights and 24 led up lighting fixtures. Our lighting operator will customize a light show to the colors of your choice. Your guests will dance the night away as the room changes colors throughout your party. Our prop package includes sunglasses, hats and glow necklaces for 100 guests.
