Wedding Packages

All the following packages include:

- Four hours of continuous music, extensive music library, interactive dances, professional experienced staff, state of the art digital sound system and detailed party finalization before your event.

Deluxe Package

- 2-person team: We provide you with a disc jockey and emcee combo to interact with your guests to keep the party moving. We include a lighting truss over the dj booth with five special effect lights, which will bring your dance floor to life.

Premier Package

- 3-person team: We provide you with a disc jockey, emcee and lighting technician. The disc jockey and emcee will interact with your guests to keep the party moving. We will provide up to 24 led up lighting fixtures placed around the room to create an incredible visual experience. In addition we will provide an additional 5 lighting fixtures on a truss, which will bring your dance floor to life.

Multi-Media Video Package

- 3-person team: This package includes a disc jockey, emcee and roaming photographer/video technician. Sizzling Sounds will put your precious pictures to music to create a custom video montage. We include two LED screen televisions to display your video montage and photos from our roaming photographer of your reception. This package includes 2 intelligent moving head fixtures. Watch your guests dance the night away to our multi-media video and intelligent lighting package.

Sizzling Package

- 4-person team: Take your wedding to the next level with our combination multi-media and state of the art lighting package. This package includes a disc jockey, emcee, roaming photographer/video technician and lighting technician. Sizzling Sounds will provide background music for your guests at your cocktail hour. We will produce and display your custom video montage and photos taken at your reception on two LED screen televisions and one front projection screen. Included in this package are 4 intelligent moving head fixtures, custom monogram and twenty-four led up lighting fixtures. Our lighting technician will customize a light show to the colors of your choice. Your guests will dance the night away as the room changes colors throughout your reception.
